

Fox Class – Spring Term 1

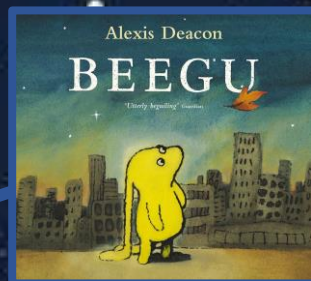

Design & Technology

This half term we will be looking at moving mechanisms, taking inspiration from fairground wheels!

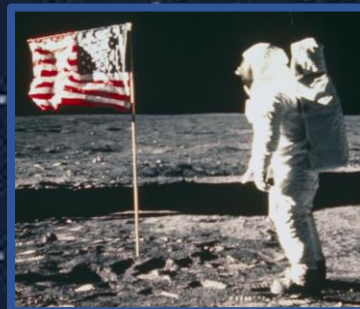

English

This term our writing will be based around the story Beegu! We will be writing our own captions, narratives and diary entries.

Phonics

Year 1 will be learning new digraphs ("2 letters 1 sound" spellings). Year 2 will be starting their first Reading lessons, focusing on different Reading Skills: Vocabulary, Infer, Predict, Explain, Retrieve and Summarise!

History

We're flying to the moon in our History unit all about the space race and the very first lunar landing. That's one small step for man...!

RE

Our RE this half term will be about Islam, finding out who Muslims are and how they live.

Science

Our Science question this half term is "How can we help our local wildlife to thrive?". We will find out more about what animals and plants need to thrive in their microhabitats.

Maths

We will be revisiting place value and begin to practice addition and subtraction with 2 digit numbers. We'll also learn about measurement, including length and height and mass and volume!

PSHE

Fitting for a new year, the children will be talking about Dreams & Goals!
