

Fox Cubs - Autumn Term 1

Writing

We are beginning to practice our letter writing and doing lots of activities to support our fine motor control which helps us write. It has been exciting using the whiteboards in Phonics lessons to practise writing down the sounds in words!

Maths

Our very first Maths lessons are about to begin – how exciting!

This half term we will be matching, sorting and comparing, making patterns and starting off with the numbers 1, 2, 3!

Phonics

We are learning our first sounds, beginning to recognise them and practise ‘blending’ them together in words. The children have all been very excited to take home their first story books this week and their own reading books will follow!

PE

We will be negotiating space, developing our spatial awareness and moving in different ways. We will also be playing invasion games, learning how to ‘attack and score’!

The World

As we head into Autumn, we will be spending lots of time outside and looking at how the world around us changes with the season.

PSHE

The children will be talking about ‘Being Me in My World’, recognising the importance of their identities and their place within the world around them.
