

Hose CofE Primary School Art Long Term Plan

EYFS

The aim of teaching Art is to stimulate creativity and imagination. Students learn to communicate what they see, feel, and think through the use of colour, texture, form, pattern, and different materials and processes. Our policy includes a strong focus on embedding art within continuous provision in the Early Years setting, allowing children regular access to a range of materials and opportunities to explore artistic processes independently and as part of guided activities.

Children will:

- Gain knowledge and understanding of different art forms and cultural histories.
- Develop practical skills to express ideas, feelings, and meanings.
- Engage with art as a fundamental aspect of the continuous provision, enhancing independent exploration and creativity.
