

Fox Cubs – Spring Term 1

Writing

We are practicing being more independent in our writing by saying and writing the sounds we can hear in 3 letter words (such as 'pig'). We are also learning to spell some words that we don't need to sound out, such as 'the' and 'I'.

Maths

Our Maths sessions this term will focus on confidence in numbers to 10! We will practice our counting and comparing and begin to add and subtract. We will also learn about 3D shapes!

Phonics

We are now practising segmenting (sounding out) and blending (pushing the sounds together) of words with 4 letters, such as "clip" or "flat". We will also learn that 2 letters can represent one sound, such as "ss" (in 'hiss') or "ll" (in 'pull')!

PE

We will be starting Gymnastics, learning how to travel and land safely and different types of jumps and rolls!

PSHE

Fitting for a new year, we will be talking all about our Drams and Goals!

The World

As Winter continues we will be spending lots of time outside and looking at how the world around us changes with the season. We will be investigating ice and exploring concepts like melting, freezing, floating and sinking.

Art & Design

We will be exploring colour mixing, painting and printing!
