## Welcome Back!

It has been wonderful to welcome all of our children back into school this week. They have come back into school with such a positive attitude and appear really happy to be back - seeing their friends again and settling back into school routines.

Can I take this opportunity to extend a very warm welcome to our new Foundation Stage children and their families. Your children have made an amazing start to their time at Hose - they have come in smiling and with such confidence, they truly are a credit to you. Thank you for the part that you have played in preparing them to start school.

We are looking for some volunteers this year! We have always welcomed family members to come in and support with reading in school. It's a lovely way to spend an hour or too and has such a big impact on the development of children's reading.

We are also looking for any family members who would be interested in helping us with turning our patch of wild flowers into a more productive and appealing space! We have a tiny growing area and would love to be able to maximise it's potential. Let us know if you would like to flex your green fingers! Please do get in touch if you would like more information!

We are looking for cake donations for the produce show on the 14<sup>th</sup> of September. If you are able to donate a home bake or shop bought item that could be sold at the pop up cafe that would be amazing! They can be dropped off at school on Friday 12<sup>th</sup> of September or the morning of Sunday the 14<sup>th</sup> at the Village Hall. Thank you!

## Jewellery and Toys in School

A polite reminder that children are not permitted to wear jewellery in school. If your child has pierced ears and wears earrings in school they must be stud style and the child must be able to remove them and replace them independently. Pupils will be asked to remove them for swimming and PE lessons.

Children should not be bringing toys and valuables into school from home unless previously arranged with their class teacher. If you think your child may benefit from a resource to support focus or anxiety then please speak to their teacher in the first instance.

## Produce Show

Hose Produce Show will be held in the village hall this year on the 14<sup>th</sup> of September. There are lots of classes for children and adults to enter ranging from fruit and vegetable classes to craft and art. Don't forget to enter your sunflower for a chance to win tallest sunflower or widest flower. Good luck everyone! More information can be found here:

## PTA

A huge thank you to everyone who supported the PTA Pop-up clothes stall at the Great Vale Show this year. It was another fabulous day in the village. The stall raised £170 and added to the sales from the Clothes Party in June, your clothing donations have generated over £600 so far. We have lots more exciting events planned, look out for more information coming soon. If you would like to get involved with some of the events we would really appreciate your help. Please get in touch with Mrs Hough if you would like more information.
